

## White FERRERO ROCHER Easter Roses

Here's a beautiful and creative DIY idea to decorate your home this Spring.

1. Trace this pattern on a sheet of white construction paper and cut. You will have a circle and a design that resembles a "necklace".

2. Turn the "necklace" into a spiral.

3. Curl the paper into a neat coil.

4. Glue the circle and place it on top of the coil.

5. Then, turn the rose over and place a FERRERO ROCHER in the middle.

6. Then, turn the rose over.

7. Place a FERRERO ROCHER inside each rose.
