White FERRERO ROCHER Easter Roses ~ step by step

Here's a beautiful and creative DIY idea to decorate your home this Spring.

Trace this pattern on a sheet of white construction paper and cut. You will have a circle and a design that resembles a "necklace".

Turn the "necklace" into a spiral.

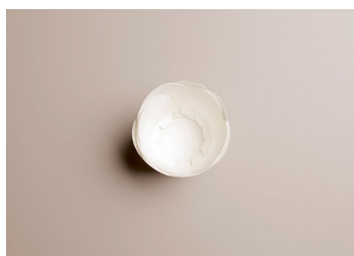

Curl the paper into a neat coil.

Glue the circle and place it on top of the coil.

Then, turn the rose over and place a FERRERO ROCHER in the middle.

Then, turn the rose over.

Place a FERRERO ROCHER inside each rose.
