

Stars will light up your dinner table. Here is a step-by-step tutorial.

GOLDEN FERRERO ROCHER STARS

Duration:

Servings:

Level:

10 min

1 person

Easy

Draw a five-point star with lines from each inner and outer point intersecting at the center.

Cut out the star and fold along the lines. The folds from the lines of the outer points of the star should be raised.

Place the two stars slightly on top of each other and top with a golden FERRERO ROCHER.
