

The Light Box

TOOLS

Ferrero Rocher box 200g
Golden spray paint
Word to cut out
Repositionable adhesive spray
Battery LED string lights
Paper to protect work surface
Scissors

INSTRUCTIONS

1. Print and cut out a word in cute typography.
2. Stick the word on the box cover with repositionable adhesive.
3. Paint the cover with spray paint.
4. Let dry then peel off the word from the cover.
5. Slide the LED string lights inside the box then close it.
